How much does it cost?

Frontage roads are not tolled. See our website for toll rates by vehicle type and location.

Cut your driving time.

Toll roads and TxTag can get you where you're going faster. For example, let's say you're on your way home to Round Rock from downtown Austin. For 75 cents – about the cost of a can of soda – now you can take the north Loop I toll road, bypass the traffic on FM 1325 and get from Parmer Lane to I-35 in less than 10 minutes. With your TxTag discount, you'll pay even less.

Drivers pay a toll each time they pass through a toll plaza **P**. Depending on where they get on or get off the toll road, drivers also pay a toll on certain entrance and exit ramps **R**.
